

Walk. Run. Support.

December 2016

Dear Community Partner,

The 10th Anniversary **BRIGHT RUN** in support of breast cancer research at Juravinski Cancer Centre is taking place on Saturday, September 9, 2017 at the Dundas Valley Conservation Area rail trail.

The funds raised through this event directly impact the lives of the thousands of patients we care for each year and make a significant difference in our ability to provide them with the best possible outcomes. Each year, funds raised through the **BRIGHT RUN/Walk** will be used to fund breast cancer research here at the Juravinski Hospital and Cancer Centre.

We are grateful to events, such as this one, for taking on a leadership role to ensure the future health, strength and prosperity of our community and making a real difference in the lives of those who have been touched by breast cancer.

We have been most impressed by the passion shown for this special event and we kindly ask that you consider assisting them in this very meaningful endeavour. The event will benefit greatly from strong sponsorships and donations.

On behalf of the **BRIGHT RUN** 2017 Committee and Juravinski Hospital and Cancer Centre Foundation we appreciate your consideration and encourage you to support this fundraising initiative in any way you can.

For more information please contact: sheppardv@hsc.ca.

Sincerely,

Nancy
